

FLUX MARINE

Accounting Internship Job Description

Company Overview

Flux Marine is a high-growth marine technology start-up that is designing electric outboard motors from the ground up without using legacy combustion engine parts. This allows our motors to maximize efficiency and minimize maintenance without compromising performance vs gas engines. Our technology has many applications including commercial, recreational, yacht tender, and defense markets.

Internships Overview

Flux Marine is seeking Interns majoring in Accounting and/or Business Administration to assist our FinOps Team on a variety of priority projects. Interns will work side-by-side with our CFO, Financial Analysts, and Supply Chain Manager who are experts in their fields. We promote a hard work, high reward environment and are committed to the personal and professional development for all student interns. As a team member of a rapidly scaling start-up, you will also have visibility into a wide range of areas at the company and will regularly engage with our executive leadership team.

Roles & Responsibilities

- Work in project teams or independently on assigned tasks under the supervision of professional staff.
- Assist with the monitoring and balancing of departmental budgets.
- Assist with research, filing, data entry, and recording and maintaining accurate and complete financial records.
- Prepare accounting reports for the leadership team.
- Provide support to the FinOps Team and assist with operational functions as needed.

Qualifications & Experience

- Passion for accounting and financial principles
- Strong communication and organizational skills
- Self-motivated work ethic with strong attention to detail
- Familiarity with boating and the marine industry is a plus
