

Revity Energy

Job Title: Business Development Intern (Renewable Energy)

Location: Warwick, RI

Duration: 3-5 Weeks (Temporary Internship)

About Us:

We are a leading company in the solar energy sector, dedicated to advancing sustainable solutions for a greener future. Our team is committed to delivering high-quality solar products and services to meet the growing demand for renewable energy.

Position Overview:

We are seeking a motivated and detail-oriented Business Development Intern for a 3-5 week internship. This temporary role is ideal for someone who is passionate about renewable energy and eager to gain hands-on experience in business development. The intern will support the team by conducting market research and analysis to assist in our business growth initiatives.

Responsibilities:

- Conduct research on market trends, competitors, and potential new business opportunities within the solar industry.
- Identify and analyze target markets and potential clients for expansion efforts.
- Assist in gathering and organizing data to support strategic business decisions.
- Collaborate with the business development team to assess and evaluate potential partnerships.
- Support the preparation of reports, presentations, and summaries based on research findings.
- Attend meetings with the team to discuss research insights and potential opportunities.
- Perform administrative tasks as needed to support the business development process.

Requirements:

- Currently enrolled in or recent graduate of a degree program in Business, Marketing, Environmental Science, or a related field.
- Interest in renewable energy and sustainable business practices.
- Strong research and analytical skills with a keen eye for detail.
- Proficiency in Microsoft Office Suite (Excel, Word, PowerPoint).
- Ability to work independently and manage multiple tasks in a fast-paced environment.
- Strong communication skills, both written and verbal.

Benefits:

- Gain hands-on experience in a dynamic and growing industry.
- Develop skills in market research, analysis, and business strategy.
- Opportunity to work with an experienced team and make meaningful contributions to business development efforts.
